BOOK SYNOPSIS

Community Pharmacy: Symptoms, Diagnosis and Treatment 3e builds on its established reputation as a trusted guide to differential diagnosis of symptoms commonly seen by Australian and New Zealand community pharmacists. The third edition has been carefully and thoroughly updated to reflect changes to over-the-counter drug scheduling and new over-the-counter drugs. In addition, the text highlights trends in pharmacy education and practice, with an emphasis on counselling, communication skills, evidence-based practice and customer requests specific to the Australian and New Zealand region. evolve Visit <http://evolve.elsevier.com/AU/Newby/community/> for additional resources Lecturer resources Case studies Additional dermatology images Image collection Student resources Additional images for ophthalmology and dermatology Additional images of stings and bites Updated chapter Evidence-based pharmacy practice, which includes three new complex community pharmacy case studies Chapter on wound management, including images Practice points - tips on how to counsel patients with respect to medications Wound management chapter on evolve Complex community pharmacy case studies Modified GRADE ratings incorporated throughout the chapters, which provide an assessment of the evidence supporting each therapeutic recommendation Expanded coverage of stings and bites
