BOOK SYNOPSIS

One hundred great folk tales and fairy tales from all over the world about strong, smart, brave heroines. A definitive sourcebook of folktales and fairytales and the first of its kind to feature a variety of multicultural heroines. Dismayed by the predominance of male protagonists in her daughters books, Kathleen Ragan set out to collect the stories of our forgotten heroines. Gathered from around the world, from regions as diverse as sub-Saharan Africa and Western Europe, from North and South American Indian cultures and New World settlers, from Asia and the Middle East, these 100 folktales celebrate strong female heroines. Fearless Girls, Wise Women, and Beloved Sisters is for all women who are searching to define who they are, to redefine the world and shape their collective sensibility. It is for men who want to know more about what it means to be a woman. It is for our daughters and our sons, so that they can learn to value all kinds of courage, courage in battle and the courage of love. It is for all of us to help build a more just vision of woman. Fearless Girls, Wise Women, and Beloved Sisters breaks new ground by reexamining our notions about heroism. This book will appeal to parents who want to foster positive role models for their children. An invaluable resource of multicultural heroines for any school library.
